

BATTERIES MANUFACTURING & REPAIR

SoudaX

MANUFACTURING

All kind of cells : coin, prismic, cylindrical

All kind of chemistry : Lithium Ion, Nickel-Metal Hydride, Nickel-Cadmium, Alkaline

◆◆◆ For small production rate

Capacitor discharge generator
300 Joules

Double pneumatic
welding head 10 daN*

* The welding head can be installed on an adjustable support (optional)

◆◆◆ For Lithium-Ion, high production rate, traceability

Medium frequency generator 5kA

Double electromagnetic head 10 daN

TEM D 10 dAN generator

REPAIR

Portable GDC 100 Joules*

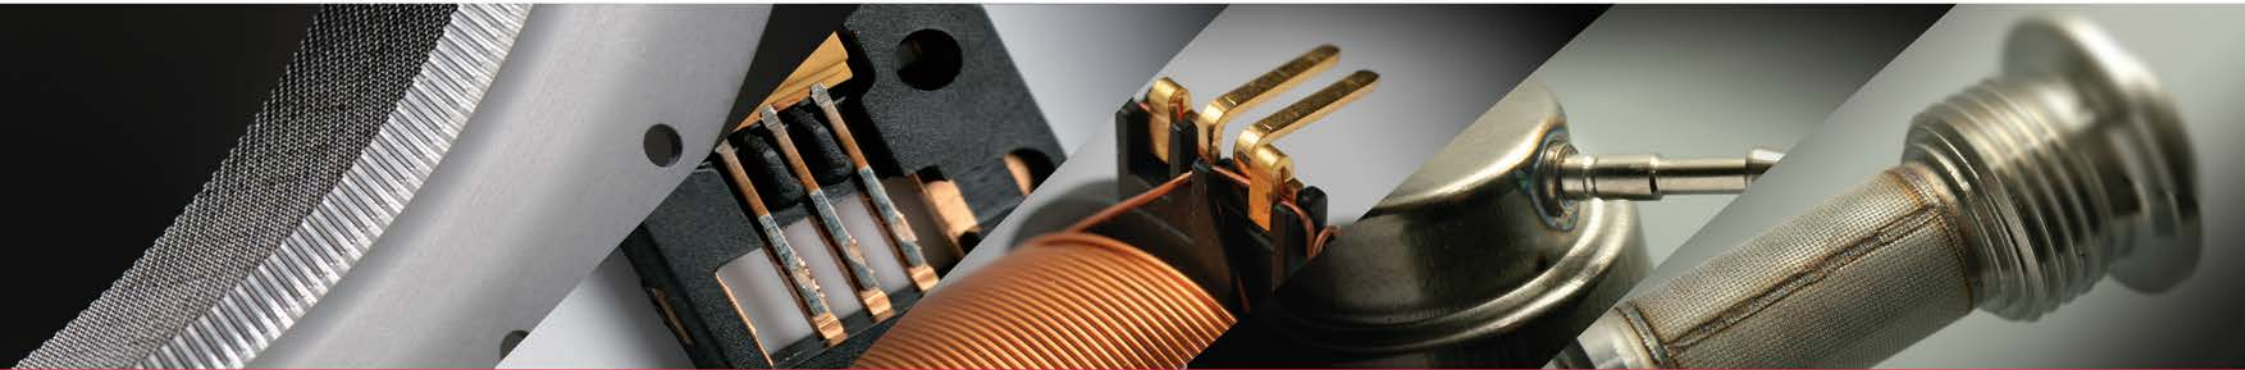

GDC 300 Joules

Parallel welding handle
SHUNTER

* For tab with a thickness below 0,2mm
